To Hercules,

We would be honored  
in having you attend  
our wedding on March  
3rd 2001 at 3pm in  
the Nejelum Palace if  
you are able to come  
please rsvp to either  
IronRose  
Karn or  
Deb

The heavens shall  
weep in joy when the  
two shall join as one.  
To start one life  
together. To laugh, to  
cry to share a never  
ending love. To  
become a whole. To  
share life through all  
its joy and pain. For  
marrage is a golden  
ring with no end.
